

Classes

- **Attendance:** Attendance refers to the act of being present at a class or school event as required or expected by the institution.
- **Curriculum:** Curriculum refers to the set of courses, subjects, and content taught in a school or educational program.
- **Discussion:** A conversation or exchange of ideas among students and teachers in a classroom setting to explore a topic or issue.
- **Exam:** An assessment of a student's knowledge or skills in a particular subject, typically given at the end of a class.
- **Grade:** Grade refers to a level of classification in which students are grouped based on their academic performance or year level.
- **Lecture:** A lecture is a formal presentation or speech given by a teacher or expert to a class on a specific topic.
- **Syllabus:** A syllabus is a document outlining the topics, readings, assignments, and expectations for a specific class or course.
- **Assignment:** An assignment is a task or project given by a teacher to students to complete outside of class.

Extracurricular activities

- **Hobbies:** Hobbies are activities pursued for pleasure and relaxation, often done outside of academic responsibilities, as part of extracurricular activities.
- **Volunteering:** Volunteering at the school involves offering one's time and skills to assist with various tasks or projects for free.
- **Sports:** Sports at school are organized physical activities that involve competition and teamwork, such as basketball, soccer, or track and field.
- **Performing Arts:** Performing arts at school involve activities such as drama, music, and dance that students participate in outside of regular classes.
- **Organizations:** Organizations in the context of extracurricular activities at school are clubs or groups that students can join.
- **Leadership:** Leadership in extracurricular activities at school involves guiding, motivating, and organizing a group towards a common goal or purpose.
- **Competitions:** Competitions in extracurricular activities at school involve students competing against each other in various events to showcase their skills.

- **Clubs:** Clubs are student-led organizations within a school that focus on a specific interest, hobby, or academic subject.

School Lunch

- **Lunchbox:** A lunchbox is a container used to carry food to school, typically filled with items like sandwiches, fruits, and snacks.
- **School Meal:** A school meal refers to food provided to students during the school day, typically through a cafeteria or lunch program.
- **Packed Lunch:** A packed lunch is a meal prepared at home and brought to school by a student to eat during lunchtime.
- **Nutrition:** Nutrition in the context of School Lunch refers to providing balanced and healthy meals to promote students' overall well-being.
- **Food Allergies:** Food allergies in School Lunch refer to adverse reactions in students caused by certain foods, requiring special dietary accommodations.
- **Cafeteria:** A cafeteria at school is a dining area where students can purchase and eat meals during school hours.
- **Menu:** A menu in the context of school lunch is a list of available food options for students to choose from.

Recess

- **Swing Set:** A swing set is a playground equipment consisting of swings suspended by chains on a frame, typically found at schools.
- **Tag:** Tag in the context of Recess at school refers to a game where one player chases and tries to touch others.
- **Slide:** A playground equipment where children can climb up and slide down for fun during recess at school.
- **Playground:** A designated outdoor area at a school where children can play, socialize, and engage in physical activities during recess.
- **Monkey Bars:** Monkey bars are a playground structure consisting of a series of horizontal bars for children to swing and play on.
- **Kickball:** Kickball is a playground game similar to baseball where players kick a rubber ball instead of hitting it with a bat.
- **Dodgeball:** A fast-paced game where players throw balls at opponents to eliminate them, played during school recess in a designated area.

Homework

- **Assignment:** A task given by a teacher to students to complete outside of class, typically to reinforce learning or assess understanding.
- **Essay:** An essay is a written assignment that presents an argument or analysis on a specific topic, typically for academic evaluation.
- **Project:** A task assigned by a teacher to be completed outside of class, typically involving research, creativity, and presentation.
- **Research:** Research for homework involves gathering information, analyzing sources, and synthesizing findings to support or enhance a student's understanding.
- **Revision:** Revision in the context of homework involves reviewing and modifying previous work to improve understanding and retention of material.
- **Study:** Reviewing and practicing educational material outside of the classroom to enhance understanding and retention of knowledge.
- **Worksheet:** A worksheet is a paper or digital document containing questions or exercises assigned for students to complete as homework.
